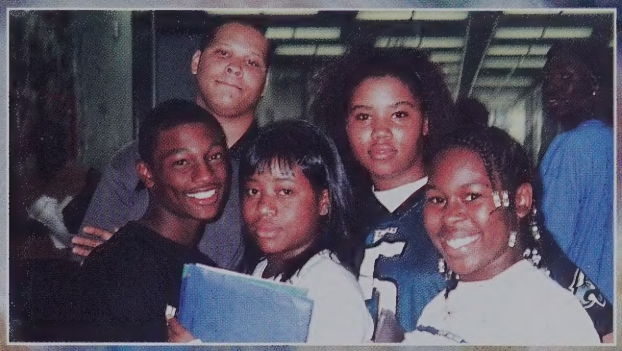
Showing Our True Colors

2003



Does anybody ever read this? Does it ever catch anyone's eye? Well this year it will because ... because,because,because,because,because of the wonderful things it does. We're off to show our true colors, the wonderful colors of Wilson!

This year Woodrow Wilson came **back** with a **bang**. From the return to our home field(and our football team's amazing winning streak), through the unification of the school with the rememberence of September 11, to the first ever Woodrow Wilson Homecoming parade, we let our **true colors** and our **Woodrow Wilson Pride** shine on everyone around us!

SEPTEMBER 11TH REMEMBERED

Patriot's Day - A National Day of Remembrance

This year, September Eleventh was not a day of horror, but one of national remembrance and reflection. Deaths were mourned and a war was justified and patriotism re-emerged in our school as a collage of red, white and blue attire. Mr. Claud delivered a speech on the morning announcements that put things into perspective once more since 9/11. A moment of silence followed and then the pledge of allegiance, both with renewed meaning. The rest of the day followed as usual and Patriot's Day was observed.

Above: Our Yearbook staff poses sportin' the red, white, and blue.

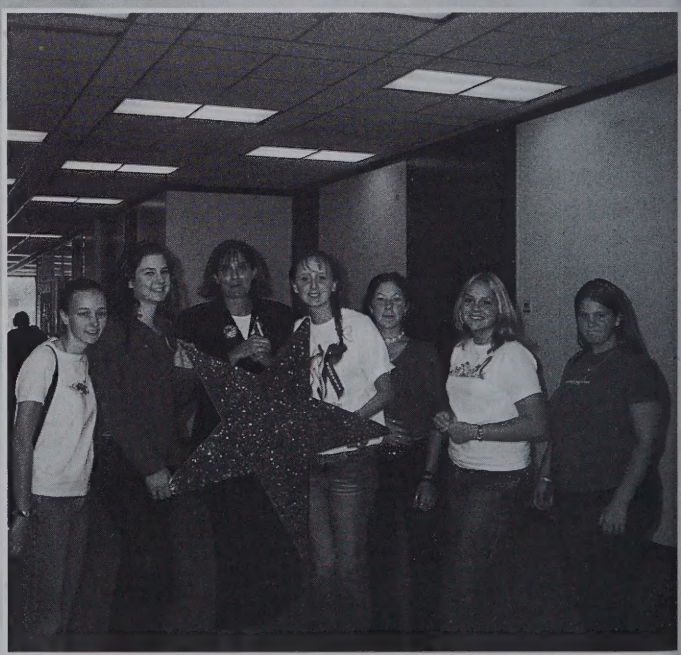
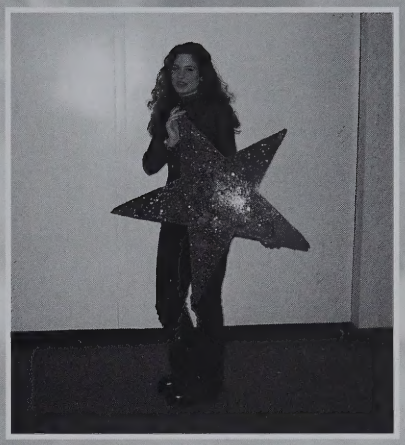
Right: 9/11 remembered by students and faculty.



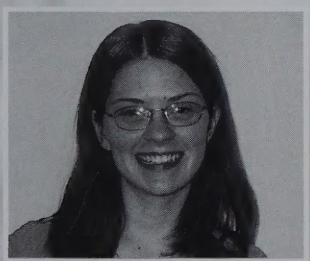
Left: Chris, "Corky", Katie, and Heather pose while the flag pieces itself together



Right: Bethany also models like a star.

Below: The "Celebrating Diversity" Flag in its entirety. It displays the many "diverse" aspects of American pop culture.

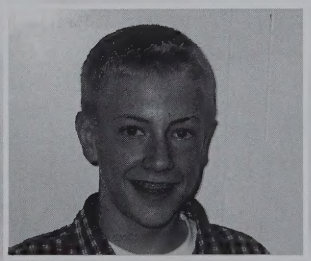
How has America changed since 9/11?



"Since 9/11, the youth of America has realized our full potential. We all know how much we can truly do to help our fellow man."
Abby Waldron, Senior

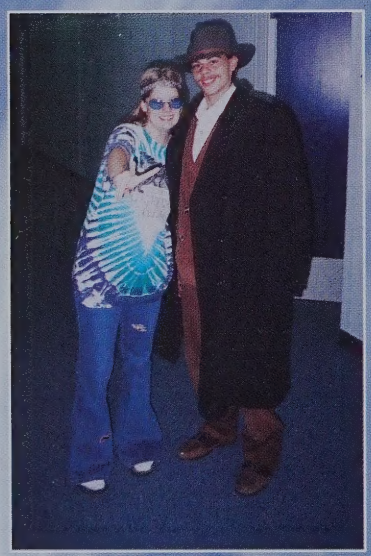
"A great nation has come together. 9/11 struck fear into our minds but pride into our hearts. We are rebuilding our lives and becoming stronger."
Ashley Morgan, Junior

"America has changed in it's maturity because we now take less for granted and have joined together to make it harder to break us down."
Sarah Weatherstine, Sophomore

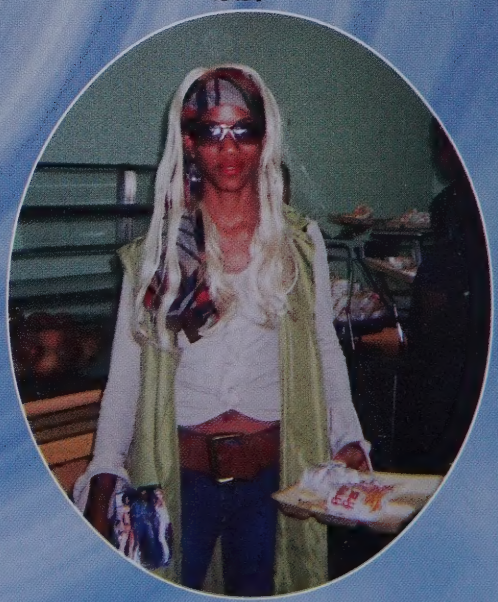


"I think people have realized that instead of being separate races and creeds, we are one giant family... the United States."
Zach Fly, Freshman

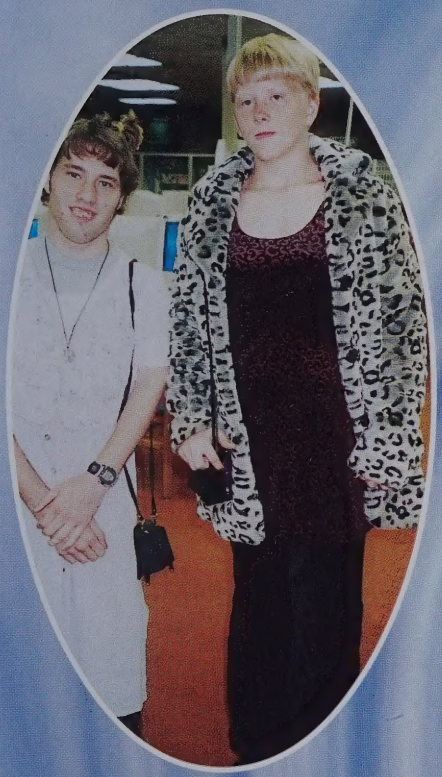
Spirit Week: Oldies Day

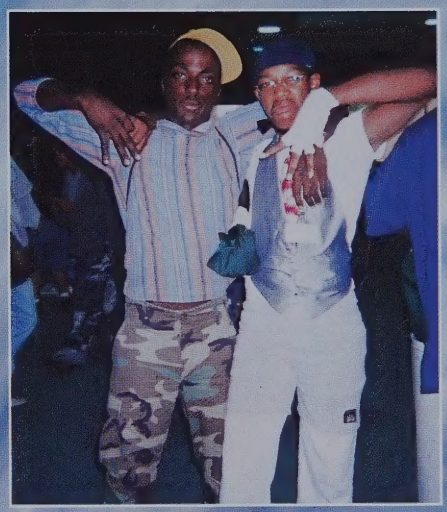


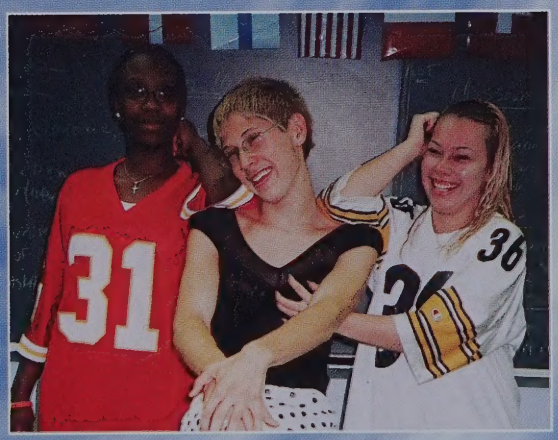
Every year there are four days set aside for the students to express themselves in many different ways. This also gives us a chance to laugh, joke, play, and see just how creative our fellow classmates can be.



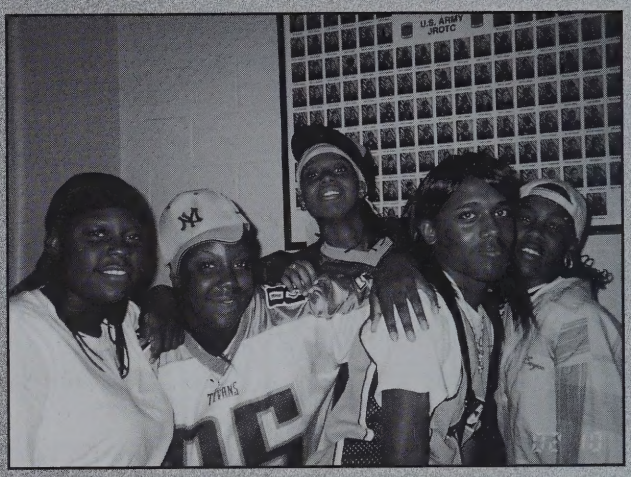
Spirit Week: Mix-Match Day/Switch Day

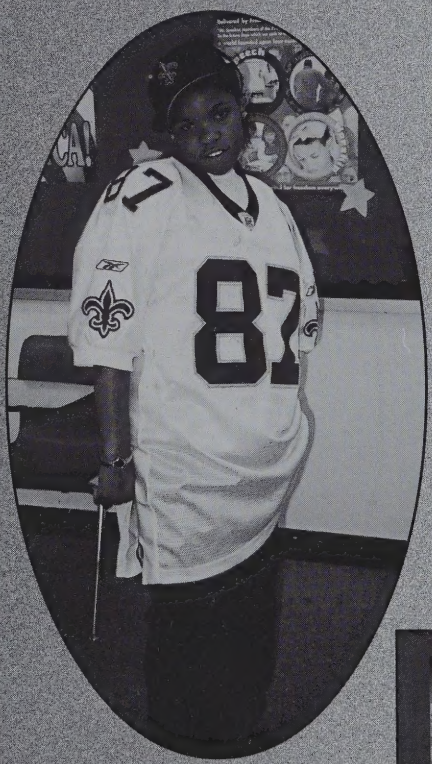




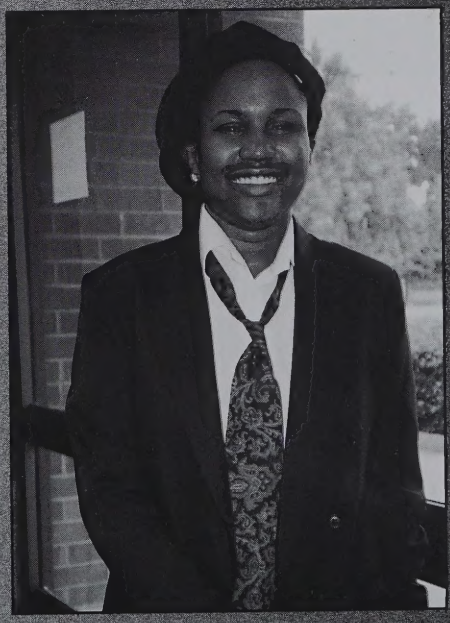


Spirit Week: Switch Day





Spirit Week: Pride/Spirit Day

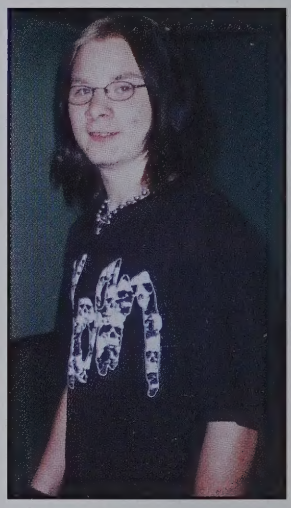


You laugh because we're different . . .

Woodrow Wilson High School has a wide variety of students in every color, **shape**, and size...

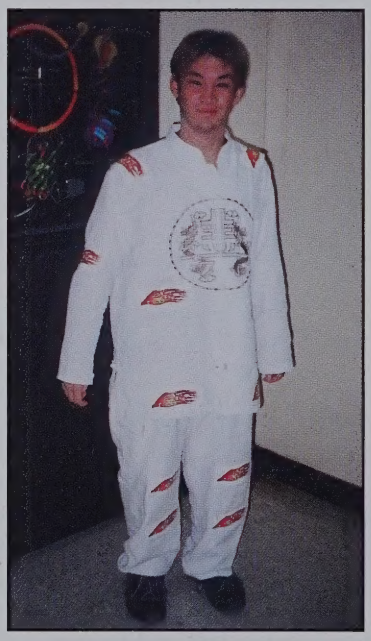
Yet what we really notice in a crowd are the people who stand out and are not afraid to be different. Nonconformists can sometimes be stereotyped by people who don't understand why they dress the way they do. Also, what some students don't realize is that nonconformists are what make this school truly diverse. So, why is it bad to be different?

We really listen to country (shh...don't tell!)



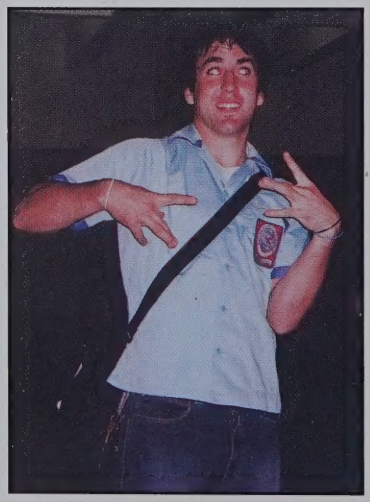
Really my favorite color is hot pink.

Exactly *what* is your eye color?



"Fish" is the sticker boy of the day.

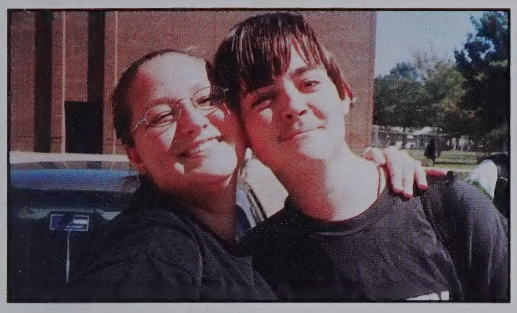
Pets R' Us



I can get chicks to notice me like this!

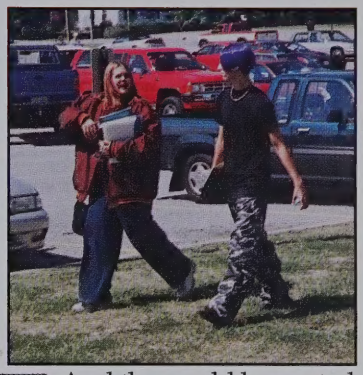
"Paco Taco Duckie" just wants a high five!

. . . we laugh because you're all the same.



one...two...three...cheese!

Ha Ha Matt-eo...
I caught you!



And the world has voted **PURPLE** for the new shade of Cody's hair!

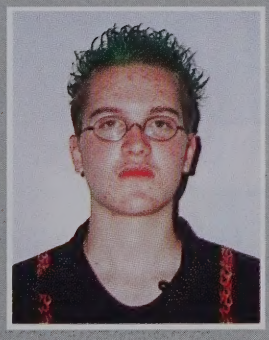
Uh...sure...

Skid, you need to cut your grass.

SAY SOMETHING

Sara Slate,
Senior

"I wear what I want, not what everyone else wants me to wear. I'm here to make a statement and be different in my own way."



Chris Archer
"Skid", *Senior*

"I wear what I want to wear. I could care less what other people think about me."

Alyssa Vedia,
Senior

"You should always dress to represent yourself. It really is about not caring and not conforming to what is normal."

Tara Kelly,
Senior

"This is who I am. Like it or get over it! Hopefully I'll get a weird stare or two along the way."

A Night In Heaven

The 2002 Prom was held at the Chesapeake Conference Center on May 25 and started at 8:00 pm. "A Night in Heaven" was this year's theme. The attendees were entertained by a DJ and everyone danced the night away. To make sure the fun lasted, almost everyone attended the after-prom party, which was held at the AMF Bowling Alley in Western Branch. The after-prom party started at 12:30am and ended at 5:00 am. There were plenty of door prizes and all the food was free. Everyone enjoyed the chance to play dress-up, and had a great time.

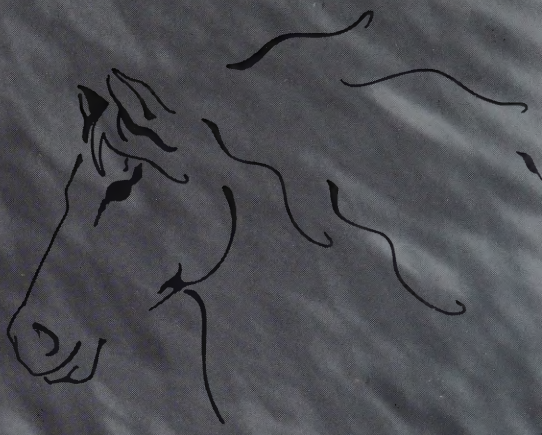
Homecoming 2003



Homecoming 2003 events took place Saturday, October 12. The Homecoming game was held at Wilson at 4:00, and the opponents were from Maury High School. Even though we were looking forward to a exciting game, the football players and cheerleaders also knew how to have fun. The whole school also participated by showing their school spirit. Also for the first time, we had a Homecoming parade. By the time the game started, the team was hyped up and played their best to represent our school. The final score was 40-3, with our win.

Kristine demonstrates h beautiful karate skills.

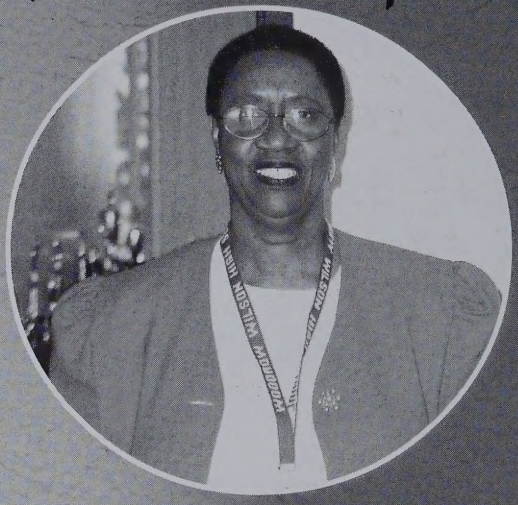
WILSON'S ADMINISTRATION 2002 - 2003

Our Principal: Mrs. Rosa Wells-Garris



What do you think so far of the class of 2003?

"It is a very patient class. A solid group of students who seem to know what they want and are willing to work for it."

What is your biggest concern for all of the underclassmen?

"The foul language that is used in everyday conversation and the lack of persistance when things get rough."

What do you think has had the biggest impact on our school this year?

"The realization that verified credits and a GPA of 2.0 to get a diploma are required. Students appear to be more focused."

Do you think that fixing the football field has increased our school spirit?

"Yes! The fact that games were played on our field has had a significant impact on our school, including increased school spirit."

If you could change one thing about Wilson, what would it be?

"The color of our carpet a darker blue! Aside from the carpet, I love Wilson and the people as it is."

What is one thing you would like to say to the upcoming class of 2004?

"Please take advantage of the training you are receiving here to prepare for life's challenges. Use your brain to help bring peace to our community, state, nation, and the world."

What do you think so far of the Class of 2003?

Mr. Porter: "I think the class of 2003 is doing an excellent job representing Wilson High in all the areas they are involved in. They are doing very well in academics, community service, sports, etc."

Ms. Giacometti: "I have great thoughts and high hopes for them. Academically sound class and great kids!"

Mr. Hillinch: "Most of the senior class of 2003 are highly motivated and hard working. Many have determined what they will be doing after graduation and have selected a future career."

What do you think is the biggest stress for the administration?

Mr. Porter: "I think the biggest stress in administration is the art of keeping up with the full schedule of activites in school, home, and community."

Ms. Giacometti: "Our biggest problem this year is profanity and disrespect."

Mr. Hillinch: "The biggest stress for the administration would be dealing with behavior problems and trying to solve the problems that interfere with the educational process. We do care about our students and want the best for them."

If you could trade places with a student for a day, would you?

Mr. Porter: "I don't think that I would like to return to the teen years. I'm doing so much better now."

Ms. Giacometti: "None- being a teenager is too hard!"

Mr. Hillinch: "I would definetly trade places with a student for a day. It would be great to have a day just to learn and have the ability to interact with others at a student level."

Prexie Pride

Is there anything you would like to say to the upcoming Class of 2004?

Mr. Porter: "I would tell this class to study hard, balance fun with work, and don't forget to pray."

Ms. Giacometti: "Good luck- love life to the fullest!"

Mr. Hillinch: "To the class of 2004 I would say set your goals, both short term and long term. Work hard, because success does not happen by chance. Take time to enjoy this precious time that you have."

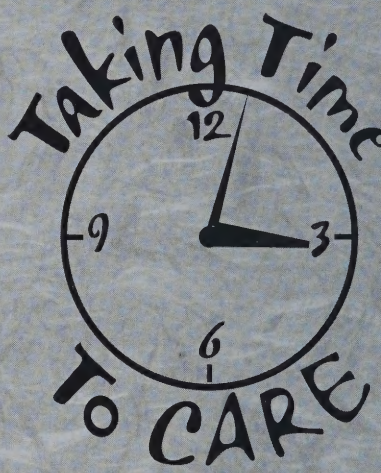
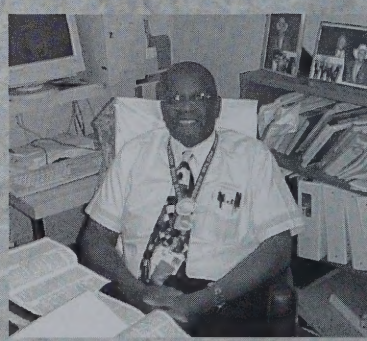
Presidents Reaching with Initiative for a Dynamic Education

Mr. Porter, or **Mr. Pride** as he is known, is a great influence on our school and its students. Mr. Porter started the **Pride Program** when he was just a 9th grade administrator. He started the program to help kids feel good about themselves, do postive in school, increase study habits, and more. The Portsmouth Foundation gave an innovater grant, which is what started the program. The **Pride Program** has given out over 2,000 certificates so far and gave out 800 just last year. We asked Mr. Porter how he got the nickname "**Mr. Pride**" and what it meant to him. He told us that the students who had received certificates gave him this nickname because he showed them how to have pride. Mr. Porter says he feels really good that he is helping these students feel good about themselves and that someone is there for them. The **Presidential Scholars** is a grant program sponsered by **Safe School, Healthy Students**. This program is for 9th grade males to increase their grades, dress properly, learn how to succeed, and to have a great attitude about learning. For now, the program is only for young males, but Mr. Porter hopes to have a program in the future focused on helping young girls. Older students, in the 10-12th grades help out with the grant program as mentors. These mentors help the students become more goal-oriented and help with tutoring. The mentors also act as a **Big Brother**. In order to become a mentor, you need at least a 2.7 GPA, a good attitude, and really want to work with the students to make a difference. We asked Mr. Porter what he thought of the whole outcome of the program he started seven years ago. When Mr. Porter looked back on the years when the program first started, he admitted he doubted the program would last and that it would lose its appeal. Since then, the whole thing has blossomed and turned into something big. He told us it makes him feel so good that he is making a difference in students lives and making them believe in themselves. One former student who was in the **Pride Program** was diagnosed with cancer. That boy told Mr. Porter how much it meant to him that someone cared, someone showed him how to have pride, and because of that...he would make it. Not only does Mr. Porter care about his students, and try to make them a better person, but it's also a lesson you can carry throughout life.





Smile pretty!

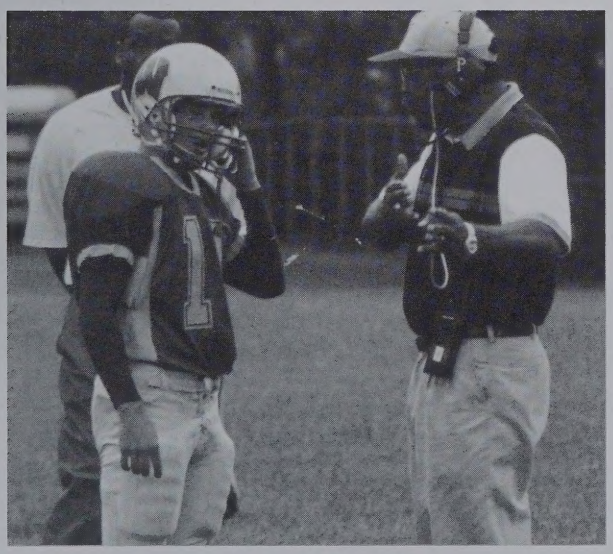
Coach's Corner

The coaches look on with anticipation!

Even the biggest of players get hurt.



Are you even listening to me!

The 2002 football season started with a vision. A vision is utterly indispensable.Vision leads the leader. Vision isn't some mystical quality that comes out of a vacuum, as some people seem to believe. It grows from a leader's past and the history of people around him. Surely we had a marvelous past. A state title in our history was surely something to shoot for but not now the near future.

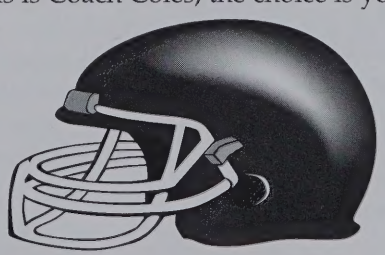
History repeats itself. Watch.
True vision is far-reaching. It goes beyond what one individual can accomplish and if it has real value, it does more than just include others; it adds values to them. If you have a vision that doesn't serve others, it probably too small. We vision our athletics being fully qualified academically to enter the University of their Choice. No missed practices, lifting in the off-season, having over half the team on the honor roll are a few of those real values. You be the judge, Jerry, Parker, Steele, Upayso, Colden, Holliman, Lambert, all scored over 1000 on the SAT's. The best is yet to come.

One of the most valuable benefits of vision is that it acts like a magnet attracting, challenging and uniting people. Prior to the season we had concerns about our "O" line. We had the fourth leading rusher ("1" Jamel Deans) in the area out of 27 teams. Deans could not have done that feat alone. Great Job Jerry #55, Willet "UU" #53, Sam #57, Jönathan #67 and Melvin #3. Your growth determines who you are. We have risen from doormats to a respectable team.

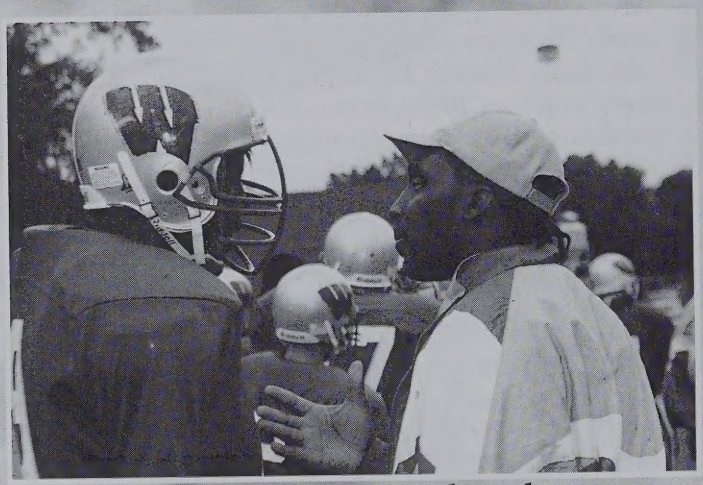
Who you are determines whom you attract. Wilson is a better place because of what our student athletes stand for and do (one extra step). Everybody loves a winner. Colleges from all over the country are in our building looking and helping our student athletes go to college. (Ellis Savage- Ferrum College, Billy McDuffie-St-Paul's College from 2001)

Who you attract determines the success of your organization. We played at home for the first time in the history of the school. We looked good and we played good. Our vision is to play great, with comment, and dedication.

If one would ask, was your season a successful one? I would say yes, oh yes.
This is Coach Coles, the choice is yours.



Football



Keep up the good work.

When can we go in coach?

The Junior Varsity cheerleading squad has really come a long way this year. They have worked very hard all season. The girls have developed great stunting skills and have proven that they can really work a crowd! I couldn't have asked for a better group of girls with whom to share my first coaching experience.

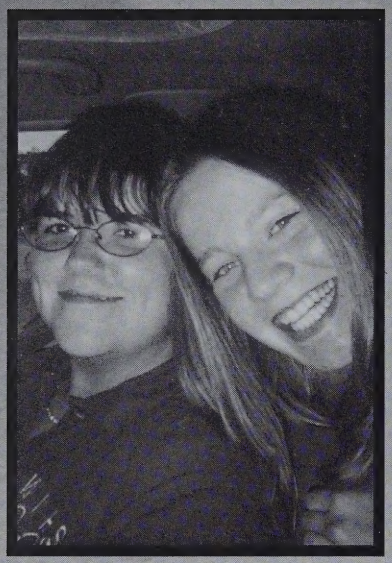
Girl's Tennis Is Back!



Someone is chessin' hard...

Jennifer, don't bite the Granby player!!

Girl's tennis for 2002 has come a long way since last year's team. Last year we placed eighth out of eight teams, and this year we moved up to spot five. Jennifer Pinilla and Carol Yahne placed second in district for doubles. Ms. Fineburg did an awesome job coaching our tennis players and overall, we had a good season. Great job ladies!!!!

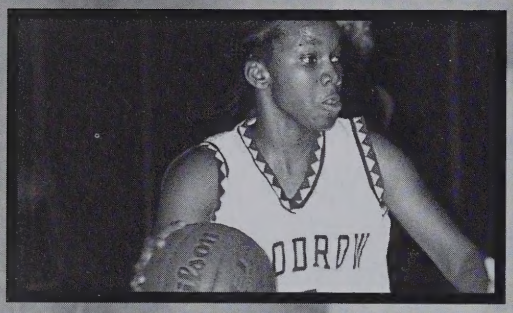
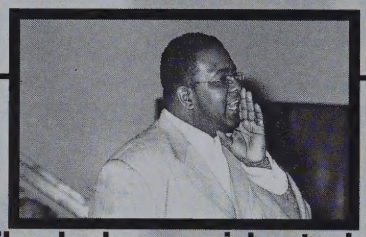
Look out #1, Lady Presidents are on their way!



(Left) Running down the court...



The lady presidents had a very successful season ending with 20 wins and 7 losses; three of those losses by 1 point. They also won the Eastern district regular season and the Eastern district tournament. They had a heartbreaking loss in the 2nd round of the eastern regional to Woodside by a score of 45 to 44. If it is a positive to this, it's that the lady presidents have no seniors, and all the players will return for the 2003-2004 season.

Splashing Into The First Season

Wilson High is proud to announce the first ever girls and boys swimming team! Coach Christine Thompson led two seniors, two juniors, two sophomores, and two freshmen to victories over experienced teams such as Norcom and Churchland. In the girls' competition, Heather Parker won the 50 freestyle and the 200 free, Amanda Outland won the 100 backstroke, and Stephanie Walton came in first in the 100 free. The boys' strongest swimmer was Will Upayaso, who won the 50-freestyle in a 35-32 win over BTW. All of the swim meets were held at the Center for Youth on Portsmouth Boulevard, and competitions were held at Maury High School. The rising juniors and seniors are enthusiastic for next year's season!

How was the season?

The 2002 Wilson High School baseball team had another successful season winning 12 games and losing 8. The team was led by senior and captain Justin Askew who played outfield and pitched well near the end of the season. Another promising left-handed pitcher who gave the team plenty of innings on the mound was sophomore Brian Enos. Offensively the team depended on Jamel Deans to get on base and score many of the runs. Justin Askew made the 1st Team All Eatern District, while Danny Owen and Jamel Deans made 2nd team.

What do they think?

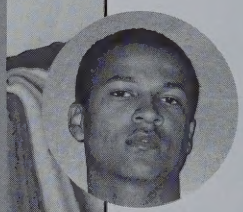
This years season was great, but it will be a little different next year, due to a new coaching staff. There will be a lot of changes, but a lot of fun.

Michael Parker



I am looking forward to next years change in staffing. We are losing some key players and are going to have to work hard to keep our good reputation.

David Hollis

Next year is going to be a great season. There will be some new additions to the team, including a new coaching staff. However, I expect the season to be successful and a lot of fun.

The 2002 softball season wasn't as good as the team predicted. The team will lose 3 seniors this year: Heather Moody, Jennifer Tucker, and Jennifer Burgess, all of whom gave outstanding performances.

They were led at the plate by Kelsey Neil (.425 batting average) and Jennifer Tucker with a .333 average. Pitchers included Candice Jackson and Kelsey Neil . Two girls made First team all-district: Ashley O'Connor (shortstop) and Kelsey Neil (utility). Coach Gordon has great prospects for the 2003 season with rising seniors Heather Lynn, Ashley O'Connor, Kelsey Neil, Kim Drew, and Candice Jackson, along with several other new additions.

What do they think?

Kelsey Neil

The ~~2002~~ season wasn't what I expected. We could have performed better than we did, however, I still had a blast. I enjoyed playing on a team full of girls with good attitudes no matter what the situation.

Heather Lynn

Last year's season wasn't what I expected, but it came out okay. I still had a lot of fun playing with my team.

Ashley O'Connor

Last years team was interesting. Although we didn't win many games as we expected to, we still had a lot of heart and stayed together till the end of the season.

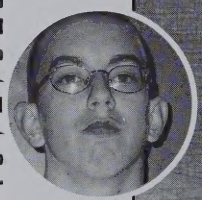
JV BASEBALL

A Word From The Team

Ryan Balestino

This year was a productive season and we did as well as could be expected. I hope next year is brighter and more successful.

Jim Clingenpeel



The ~~2002~~ season was a great one. I had a lot of fun and enjoyed playing on the team. I am looking forward to being on varsity next year and playing on an all new level.

Nick Allmond

The ~~2002~~ baseball season was more successful than I thought it would be. I enjoyed playing on the team and look forward to next season.

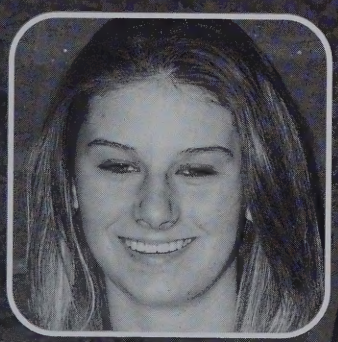
The season began with 2 one run games both losses. The team gelled after those losses and went on to win the next four in a row and finished the season with an exciting come from behind win at Maury. Most Valuable player Brittany Sutton, her sister Melissa Sutton, and Sophomores Brittany Godwin, and Sara Jeske, led the team. Freshmen Allison Carmack and Jessica Taylor played well and are expected to be mainstays on the 2003 team. From the middle schools Laura Griffin and Megan Atkins proved to be exceptional players.



Brittany Sutton:
I had a lot of fun this season. It was a very successful season for me and I look forward to playing on varsity next year. I wish the JV Softball team of the 2003 season lots of luck.

Melissa Sutton:
The 2002 season was a lot of fun and very successful. I am looking forward to next season whether it be on JV or varsity.

Jessica Taylor:
This season as a prosperous one for us. We fought hard and definitely learned a lot. I am looking forward to a better and brighter season next year.

Wilson girl's varsity soccer kickin' it another season!

Wilson High's girl's varsity soccer team was on the move again this past spring, lead by coach Lewandowski. Yet, with only four wins (one including a forfiet by BTW), the team unfortunatly did not have as great of a season as opposed to 2001. However, they stuck together as a team and did what they could to finish out the season. Now that five of 2002's season's players have graduated, the next six upcoming seniors of the 2003 season have to fill the empty spots and take the lead!

Wilson's boys soccer team had a rocky start this year, but lead by Coach Moreno and aides Mike McClenney, Mike S., and Matt Wood, the team really came together towards the end of the season. They even almost made their fifth strait trip to the district tournament. They were lead by seniors Matt Steinfurth, Josh Wyatt, and Nick Vedia. Newcommers Fausto Fortin and and Curtis Fly also had a big impact on the team.

FRIENDSHIP

Dear friend, I pray thee, if thou wouldst be proving
Thy strong regard for me,
Make me no vows. Lip-service is not loving;
Let thy faith speak for thee.
Swear not to me that nothing can divide us--
So little such oaths mean.
But when distrust and envy creep beside us,
Let them not come between.
Say not to me the depths of thy devotion
Are deeper than the sea;
But watch, lest doubt or some unkind emotion
Embitter them for me.
Vow not to love me ever and for ever--
Words are such idle things;
But when we differ in opinions, never
Hurt me by little stings.
I'm sick of words: they are so lightly spoken,
And spoken, are but air.
I'd rather feel thy trust in me unbroken
Than list thy words so fair.
If all the little proofs of trust are heeded,
If thou art always kind,
No sacrifice, no promise will be needed
To satisfy my mind.
